

INSPIRE spiritual growth!

Support students' desire to live a purposeful,
Catholic-faith-based life.

The Catholic Faith Planner is the ultimate tool to help students live a purpose-driven life focused on God.

The Catholic Faith planners are meticulously designed to inspire students from kindergarten to grade 12 to live purpose-driven lives centred on God.

With beautiful designs and engaging content that appeals to students' interests and desire to grow their relationships with God, the planners offer a unique blend of faith and organization that kids love!

At PiQ, we understand the importance of nurturing both the religious and academic growth of students. That's why our planners feature a detailed 16-page Learning Guide at the front of the planner, devotionals, fun faith-based facts, Saints' Days, and more. We believe that by integrating faith into everyday life, students can develop a deeper connection with God while staying organized and focused on their goals.

What's Special About the Catholic Faith Student Planner?

Valuable Content

The biblically based Catholic Faith planners help students embark on a deeper religious journey. Featuring a 16-page Learning Guide filled with rich Catholic content, students can explore their faith in new ways. Throughout the planner, engaging activities and thought-provoking content integrate Catholic virtues, theology, bible verses, prayers, and more into everyday life, fostering spiritual growth and reflection.

Powerful Skill Building

The intuitive page layouts simplify planning. From tracking assignments to scheduling activities, students develop essential life skills such as time management, organization, and prioritization effortlessly. With minimal guidance required, our planners empower students to take charge of their academic journey with confidence and ease.

Student-First Approach

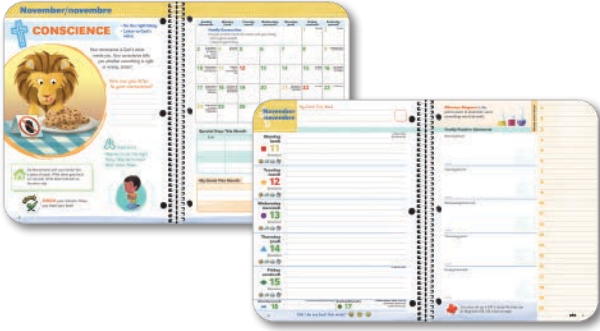

Discover the difference of our kid-centric planners. Unlike other planners on the market, ours are tailored to each grade level's developmental ability and interests. Beautiful designs and engaging content appeal to students and keep them invested in their planners.
